Attorney Docket No.: 10014732-1**Amendments to the Claims:**

This listing of the claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently amended) A delivery service, comprising:

a first mail system configured to receive a mail piece addressed to an entity and including postage indicia indicating an initial value, determine a cost for delivering the mail piece to the entity, modify the postage indicia to indicate a remaining value wherein the remaining value indicates the initial value reduced by the cost for delivering the mail piece, and transfer the mail piece; and

a second mail system configured to receive the postage indicia indicating the remaining value, process the postage indicia to determine the remaining value of the postage indicia, and indicate the remaining value of the postage indicia wherein the postage indicia with the remaining value is a negotiable instrument ~~that can be configured to allow physically negotiated and traded between multiple people to electronically negotiate and trade the postage indicia between each other~~ before the postage indicia is redeemed electronically, by crediting a valid account with the remaining value of the postage indicia.

2. (Original) The delivery service of claim 1 wherein the second mail system is further configured to:

modify the postage indicia indicating the remaining value to cancel the remaining value of the postage indicia.

3. (Original) The delivery service of claim 1 wherein the second mail system is further configured to:

compensate the entity for the remaining value of the postage indicia.

Serial No.: 10/086,288
Attorney Docket No.: 10014732-1

4. (Original) The delivery service of claim 3 wherein the second mail system is further configured to:

credit an account for the entity based on the remaining value of the postage indicia to compensate the entity.

5. (Original) The delivery service of claim 3 wherein the second mail system is further configured to:

transfer funds to a bank account for the entity based on the remaining value of the postage indicia to compensate the entity.

6. (Original) The delivery service of claim 3 wherein the second mail system is further configured to:

transfer cash to the entity based on the remaining value of the postage indicia to compensate the entity.

7. (Original) The delivery service of claim 1 wherein the postage indicia includes anti-counterfeiting content.

8. (Original) The delivery service of claim 1 wherein the postage indicia comprises text printed on the mail piece.

9. (Original) The delivery service of claim 1 wherein the postage indicia comprises a barcode printed on the mail piece.

10. (Original) The delivery service of claim 1 wherein the second mail system comprises a user interface configured to display the remaining value of the postage indicia.

11. (Currently amended) A method of operating a delivery service, the method comprising:

receiving a mail piece addressed to an entity and including postage indicia indicating an initial value;

determining a cost for delivering the mail piece to the entity;

modifying the postage indicia to indicate a remaining value wherein the remaining value indicates the initial value reduced by the cost for delivering the mail piece, wherein the postage indicia with the remaining value is a negotiable instrument that can be configured to allow physically negotiated and traded between multiple people to negotiate and trade the postage indicia between each other before the postage indicia is redeemed with an automated teller machine (ATM);

delivering the mail piece to the entity; and

compensating a particular entity that presents the postage indicia for the remaining value indicated by the postage indicia without requiring a data center to dispatch the remaining value, wherein the automated teller machine (ATM) processes the postage indicia to determine the remaining value and disburses cash in the amount equal to the remaining value.

12. (Original) The method of claim 11 further comprising:

modifying the postage indicia indicating the remaining value to cancel the remaining value.

13. (Original) The method of claim 11 further comprising:

receiving the postage indicia that indicates the remaining value from the entity prior to compensating the entity.

14. (Original) The method of claim 11 wherein compensating the entity comprises:

crediting an account for the entity based on the remaining value of the postage indicia.

Serial No.: 10/086,288
Attorney Docket No.: 10014732-I

15. (Original) The method of claim 11 wherein compensating the entity comprises:
transferring funds to a bank account for the entity based on the remaining value
of the postage indicia.

16. (Original) The method of claim 11 wherein compensating the entity comprises:
transferring cash to the entity based on the remaining value of the postage
indicia.

17. (Original) The method of claim 11 wherein the postage indicia includes anti-
counterfeiting content.

18-20. (Canceled).
